Sir:

**SUBMISSION OF CORRECTED PTO FORM PTO/SB/08a/b**

Applicants have noted that the Form PTO/SB/08a/b submitted with their Information Disclosure Statement on 26 February 2008 contains (1) an inadvertent misspelling of the inventor's given name and (2) further incorrectly indicates that an English language translation of CN-1106929-A was provided when in fact only numerous family patent publications of that Chinese document were provided.

To correct the foregoing inadvertent errors, Applicants are submitting herewith a copy of the Form PTO/SB/08a/b submitted with their Information Disclosure Statement of 26 February 2008 designated as "CORRECTED" wherein the inadvertent error concerning the misspelling of the inventor's given name fact has been corrected and the check mark in the last box to the right next to the listing of CN-1106929-A has been removed so as to remove any misconception concerning Applicants' submission of a specific English langauge traanslation of that document as opposed to the submission of various family patent documents relating to it. It is respectfully requested that the Examiner utilize the enclosed corrected Form PTO/SB/08a/b in acknowledging Applicants Information Disclosure Statement of 26 February 2008 and that the enclosed corrected Form PTO/SB/08a/b be utilized in determining the information to be printed on any patent issuing from this application.

Applicant regrets any inconvenience the misstatement of the Japanese document on their originally filed Form PTO/SB/08a/b may cause.

Applicants believe that additional fees are not required in connection with the consideration of this communication. However, if for any reason a fee is required, a fee paid is inadequate or credit is owed for any excess fee paid, you are hereby authorized and requested to charge and/or credit Deposit Account No. 04-1105, as necessary, for the correct payment of all fees which may be due in connection with the filing and consideration of this communication.

Respectfully submitted,

Date: April 1, 2008
